BLOOM ILLUSIONS PACKAGES

A curated collection of premium, custom-made florals and event styling, designed to create a cohesive and beautifully considered celebration.

From ceremony through to reception, each element is thoughtfully composed, bespoke, and professionally installed to ensure a seamless and effortless finish.

What's Included

Each collection comes with:

- Unlimited communication throughout your planning journey
- Digital design plans and mockups for keepsakes, ceremony and reception styling
- Photo drafts of proposed arrangements
- Access to a private client portal to manage your selections and approvals

This ensures your vision is clearly captured, cohesive, and professionally delivered – from initial concept through to installation and collection.

Event Styling Structure

Reception styling is offered exclusively as part of a complete event collection inclusive of ceremony florals. This ensures a cohesive design approach and allows for thoughtful repurposing where appropriate.

Delivery & Installation

Delivery, professional installation and next-day collection are included within all collection pricing for Scenic Rim venues.

An optional same-day pack-down service is available for select local venues at \$150.

To protect the integrity of our pieces, dry hire is not offered. All items are delivered, installed and collected by our team.

Booking & Bond

A 10% booking fee secures your date and collection.

A separate refundable bond of \$250 is required for all bookings. This bond is returned promptly following collection, provided all items are received in their original condition.

Please refer to our Terms & Conditions for full details.

Additional Requirements

If you require quantities or items beyond those listed within your chosen collection, please enquire. Our inventory continues to expand and we are happy to accommodate where possible.

RECEPTION TABLE STYLING OPTIONS

Each collection includes curated options for your reception tables and forms part of a complete, cohesive event design inclusive of ceremony florals.

Your reception styling is thoughtfully considered within the overall aesthetic of your celebration, ensuring a seamless visual flow from ceremony through to reception. Within your chosen collection tier, you may select from the following floral and styling directions.

Quantities are proportioned with intention and adjusted according to guest count, table shape and configuration and overall design scale.

Floral Arrangement Options

Table Meadows

A lush, low-profile arrangement designed to run organically along the center of each table. These are perfect for Bridal Tables.

Typically one meadow of 60-70cm per individual table of 8 guests

Bud Vase Clusters

A layered collection of delicate bud vases styled across the table for a soft, textural finish. Choose from any in our collection.

Typically 8-10 bud vases per individual table of 8 guests

Posy Vases or Low Pots

Structured floral groupings arranged in coordinating vessels for a refined aesthetic.

Typically two larger posy vases or three smaller posy vases per individual table of 8 guests

Table Lighting & Styling Options

Candle Styling Options

Each table includes a layered candle design. As a guide, this may include:

Approximately 8-10 tealights and
6 taper candles with holders (+ windlights where required) or,
6-8 sand wax or floating candles

Final candle quantities are adjusted to suit table shape, size, and layout and are subject to design

Table Styling Extras
